

Year 1 News

6th December 2024

What we've been learning recently

English – We completed our end of term assessments and were really impressed with how well the children worked on these. We have also been learning about instructions and what these are used for. We wrote our own instructions on how to complete a silly dance, which the children then read to their partner and watched them perform!

Maths – We finished off our unit of addition and subtraction within 10 by looking at different methods for subtracting, including crossing out and using a number line. We have also completed our end of term Maths assessments and, again, were blown away by the effort children showed during these.

Wider Curriculum – We have been exploring watercolours in Art using different lines and brush strokes on the paper rather than painting a specific picture – the children created some beautiful artwork related to seasons. We started our Geography learning and will be answering the question “What is the Weather like in the UK?”. We walked around the school grounds to do some fieldwork and find signs of which season it is, deciding it was Winter.

Over the next fortnight we will be...

- Finishing our instructions on how to make a marmalade sandwich and using them to make our own sandwiches.
- Learning about 2D and 3D shapes in Maths.
- Taking part in the Christmas Fun Run!
- Visiting the cinema and having fun in our class parties.
- Performing our nativity play to the school and parents – we can't wait!

Contact details of the Year 1 team

1B - Kate Clarke
