

# Year 1 News

## 20<sup>th</sup> June 2025

### What we've been learning recently

**English** – We continued with our learning around *The Lighthouse Keeper's Lunch*, using our summarising skills to write a book review of the story. We thought about who the characters were and the story setting before writing a short summary of what happens at the start, the problem they face and the ending (without giving it away for readers)!

**Maths** – We are learning about place value to 100 and had fun exploring bigger numbers using 100 squares with practical resources to make different numbers. We then practiced counting in 10s and found it was much easier when we grouped items into 10s when counting larger quantities. Please practice counting forwards and backwards in 10s at home.

**Wider Curriculum** – We designed and made fruit smoothies in DT, carefully chopping different fruits as well as juicing oranges, lemons or limes. The classrooms smelt lovely and most were very much enjoyed! In PE we have enjoyed practicing for sports day and we hope you really enjoyed watching – the children were fantastic with some great displays of teamwork and sportsmanship, especially in such heat!

### Over the next fortnight we will be...

- Visiting Polzeath Beach – we are very excited!
- Learning about Shanghai in Geography.
- Orienteering in PE.
- Creating an alternative ending to *The Lighthouse Keeper's Lunch* story.
- Preparing for our Stay and Learn session – we're looking forward to sharing it with you!

### Contact details of the Year 1 team

**1B - Kate Clarke**
