

# Year 3 News

## Friday 18<sup>th</sup> July 2025

### What we've been learning recently

**English** – In English, the learning journey based on stories from diverse cultures has come to an end. The children have enjoyed using 'the more, the more' sentence types, 'descriptive detail sentence types, written setting descriptions, and '3 ed' sentences in their work. They have edited their work and shared with their peers which has been lovely to see.

**Maths** – We have finished the learning journey on statistics. A highlight of the journey was drawing bar charts and the children enjoyed visiting different classes as part of their data collection.

**Wider Curriculum** – In PE, the children have loved refining their skills in archery and practicing in tennis. In geography, we have finished our unit around Antarctica and enjoyed learning about the expedition of Shackleton. In DT, we have planned our final cushion design and practiced different stitches like cross stitching and layering. In PSHE, we have been learning about changes we will experience as we get older. We also went on an exciting school trip to Trevean, where children learnt to make fires, identify mini beats, and learn how to use a compass.

### Over the next two days we will be...

- Children will be taking part in various activities both in and out of the classroom.
- In maths, we will complete the end of unit test on statistics.
- In our wider curriculum we will be looking at all that we have learnt across the year.

### Important Notices

**Plastic Bag for School Books** - On Monday 21<sup>st</sup>, Year 3 will be able to bring their school books home. Please can children bring in a named bag for life. (Some have up to 15 books)!

**Reading Books** - Please can all reading and library books from home be brought back to school by Tuesday.

**Thank you!** - A huge thank you for all your help and support this year! We all hope you have a fantastic summer and wish the children good luck for Year 4!
