

Year 4 News

4th April 2025

What we've been learning recently

An incredibly “buzzy” end of term! Year 4 blew our socks off with their energy and commitment to the play. A huge WELL DONE!

English – The children have explored poetry in the run up to Easter and have learnt all about limericks and clerihews. They had lots of fun experimenting with rhyme to create some silly and brilliant poems!

Maths – Year 4 have finished their work on fractions and demonstrated impressive understanding of the topic in their end of unit test.

Wider Curriculum – In our final Geography lesson of the term, children enjoyed focusing on their oracy skills for No Pen Day. After briefly recapping our learning over the unit and sharing some top tips for speaking and listening in groups, the children engaged in impressive group discussions around the question, “Should we stop importing food?” Just some of their thoughtful responses were “Yes – because stopping climate change is much more important than our favourite foods!” (Annie) to “No - but we should make sure that all the vehicles used are electric” (Stanley). Also, see photos of the children working on their fair tests in science—measuring decibels recorded when dropping a boomwhacker from different heights using a decibel meter app.

Over the next fortnight we will be...

HOME LEARNING OVER THE HOLIDAYS (and into next term!)

- Listening to your child read and discussing their reading with them.
- TTRS/Mathsframe/Hit the Button:
Please encourage your child to practice their times tables as much as possible between now and the Year 4 Multiplication Check (June)

Important Notices

Lunch and Play Time – As the weather gets warmer, please ensure your child is wearing sunscreen if it is sunny. They may bring in sunscreen to school to apply during the day themselves.

PE Kit – After Easter, our PE lesson will be on a Wednesday. Please ensure that your child wears their PE kit to school every Wednesday.

Shining Stars

Congratulations to our Shining Stars last week for demonstrating our school values.

4B – Finley, Freya

4W – Sophia, Macie
