

# Year 5 News

## 18<sup>th</sup> July 2025

### What we've been learning recently

**English:** In English, we've reached the end of our final writing unit inspired by *Harry Potter and the Philosopher's Stone*. The children have been hard at work creating imaginative and persuasive job advert posters for the role of Defense Against the Dark Arts teacher at Hogwarts. Their creativity, attention to detail, and enthusiasm for the magical world truly shone through in their writing. Well done to all our young wizards and witches!

**Maths:** In maths, we used Tasia puzzles to consolidate some of the key mathematical concepts taught throughout Year 5. The children embraced the challenge and showed great perseverance as they tackled these tricky, thought-provoking puzzles. It was a fantastic way to reinforce their learning while having fun!

**Art:** In art, the children got creative making dream catchers, wind chimes, and magical wands to sell at our Summer Fayre. These beautiful handmade crafts will help raise funds for our school, and we're so proud of their hard work and imagination. A big thank you for your support!

### Over the next few days...

As we approach the final days of the school year, we're taking some time to unwind and reflect on all we've achieved. As a special treat—and to round off our English work—we'll be watching *Harry Potter and the Philosopher's Stone*. We'll also be taking part in some fun team-building activities to celebrate a fantastic year together.

### Important Notices

#### Wow—what a year it has been!

We hope you all have the most fantastic summer break. Take the time to rest, recharge, and make some precious memories with family and friends. We can't wait to see you all in September, ready to embark on the exciting Year 6 journey together!

### Contact details of the Year 5 team
