What we've been learning recently

Play – Our focus over the past two weeks has been preparing for our Year 6 play, *The Next Big Step*. The children have been working incredibly hard—rehearsing scenes, learning lines and songs, and bringing their characters to life. We've also started gathering costumes and props to help set the scene. On stage, we're now fine-tuning the details, focusing on how the children move, project their voices, and bring energy to each performance. Rehearsals will continue into next week, and we can't wait for you to see all their hard work come together.

Transition – This week, many of our Year 6 pupils took part in their three-day transition at the secondary school. Over the course of the visit, they spent time with their new form groups, getting a real sense of what life will be like in September. During the first two days, the children took part in a variety of lessons across the curriculum, led by different teachers, while also learning how to navigate the school and beginning to form new friendships. On the final day, they enjoyed team-building activities and had the chance to showcase their sporting talents. We received some lovely feedback about our pupils' behaviour and attitude throughout the visit, and it was fantastic to see how much they enjoyed the experience.

Over the next fortnight we will be...

- Over the next two weeks, we'll be busy making the most of our final days together in Year 6. We'll continue rehearsing for our end-of-year play and preparing for prom.
- We'll also begin practicing for our leavers' assembly and getting ready for the summer fayre. It's set to be an exciting and memorable end to the year!
