

# Year 1 News

## 4<sup>th</sup> June 2026

### What we've been learning recently

**English** – We are reading The Lighthouse Keeper's Lunch in English and using new vocabulary from the story and using it in our writing. We have also started to write a summary of the book, focusing on beginning, middle and the end. Next week we will write a book review!

**Maths** – We are learning position and direction, with lots of movement around the classroom talking about what is to our left and right, where we get to if we walk backwards and how things are positioned in relation to each other.

**Wider Curriculum** – Science: We are learning about the characteristics of animals, comparing mammals, fish, birds, reptiles and amphibians. We definitely have some aspiring David Attenborough's in Year 1!

### Over the next fortnight we will be...

- Science – continue exploring characteristics of animals.
- In PE we are lucky to have DT Sports back and we are practicing some skills for our upcoming Sports Day.
- We have our Phonics Screening Check – Good luck Year 1, you have all been working so hard!

### Contact details of the Year 1 team

**1B - Kate Clarke**
