

Year 2 News

6th March 2026

What we've been learning recently

English – For the next few weeks we are going to base our writing on Rosa Parks. We listened to a story all about her amazing life. We were so shocked about how she was treated! Using the information we had learnt, we used our VIPERS skills to respond to the text for example 'what does slavery mean?', 'what do you think about how she was treated on the bus?'.

Maths – We started a new journey all about length and height. We have been busy measuring in cm and m by using rulers and metre sticks. We know we have to line the object up to the start of the ruler and start at zero. We talked about which measuring tool would be most appropriate for measuring different sized objects.

Wider Curriculum – In History, we have started looking at a significant person; Florence Nightingale. We have started to explore why she is so important and what impact she has had on hospitals today. We have compared what hospitals are like now and what they were like in the past.

Over the next fortnight we will be...

- Writing a non-fiction biography
- Continuing to explore length and height
- Doing fitness in PE
- Exploring 'Healthy Me' in PSHE

Contact details of the Year 2 team

2B - Sarah Jayne Hill
