

Year 2 News

2nd April 2026

What we've been learning recently

English – We have been exploring poetry based upon a story of the Barnabus Project. We have enjoyed listening to repeating poems and identifying the repeating parts. We then planned and wrote our own repeating poem based upon being unique. Then we used our performance skills to perform our poems in class. We used facial expression, voice choices and hand gestures to engage the audience.

Maths – We have been learning all about fractions. We have identified what $\frac{1}{2}$, $\frac{1}{3}$ and $\frac{1}{4}$ looks like on a shape. We know the shape has to be divided into equal parts and one part has to be shaded. We looked at fractions of amounts e.g. find $\frac{1}{4}$ of 12 through practical activities. We also learnt how to find the whole number when only given $\frac{1}{3}$ or $\frac{1}{4}$.

Wider Curriculum – In Geography, we have been exploring hot and cold places in the world. We have located the North Pole, South Pole and Equator. We looked at which countries the Equator runs through and what they would be like. We have compared human and physical features of the UK and Kenya.

After Easter we will be...

- Wheal Martyn trip - Tuesday 21st April
- Exploring Cornish History
- Learning target games in PE
- Comparing places of worship in RE

Important Notices

Mini books – Mini books will be sent home on a Friday and to be returned on a Wednesday ready for a new allocation on the Friday.

Morning drop off – A reminder to parents that, where necessary, you are welcome to accompany children through the KS1 gates at morning drop off and say goodbye at the outside entrance to the classroom up until 8.45am when the gates will be locked for the start of the school day.
