

Year 3 News

7th November 2025

Mount Assignment		
Material on the slope	Prediction (make the object travel the fastest or slow it down)	Time taken to roll down the hill (seconds)
Tinfoil	Slower	0:88 second
Bubble wrap	Slower	1:09 second
Fabric	faster	0:61 second
Wood	faster	0:26 second
Which material slowed the object down the most? Why? Bubble wrap because it has more friction.		

What we've been learning recently

English – This week we have been learning our new story called 'The Stone Trolls'. We have been looking at different writing skills within the text such as speech and the different sentence types. This week we have written detailed setting descriptions and practiced using fronted adverbials and different conjunctions to extend our sentences.

Maths – This week we started our times tables tests. Please have a go at home with your children as we will be working on this each Monday for the next 5 weeks. We have also been using formal written methods for calculating addition and subtracting.

Wider Curriculum – This week we have begun our new science unit around magnets and forces. On Monday, we looked at how objects move using push or pull and labelled what we push or pull around the classroom. On Wednesday, we looked at friction and compared how an object moves across different surfaces such as tinfoil, bubble wrap and wood.

Over the next fortnight we will be...

- In English, we will be writing our own adapted versions of the 'Stone Trolls'
- In maths, we will be continuing with our addition and subtraction methods.
- Continuing to look at Judaism in RE.
- In PE, we will be continuing with basketball and dodgeball.
- In wider curriculum, we will continue to look at magnets and their forces.

Important Notices

PE Kit – Our PE day is a Thursday. We will be working with DT sports doing basketball and dodgeball – please ensure your child wears their PE kit on a Thursday.

Reading Books – Reading book and library book changeover is a Thursday. Please can books be brought in on this day.

Year 3 Firework Sleepover - We look forward to welcoming the children to our Firework Sleepover this evening
