

Year 3 News

4th June 2026

What we've been learning recently

English – This week in English we have been studying our new story based on a story from another culture 'How Maui Tamed the Sun'. The children have been exploring its features and looking at character and setting description in particular.

Maths – In Maths, we have begun our new unit on Money. The children have looked at the different coins and their values as well as adding and subtracting using money.

Wider Curriculum – In wider curriculum, we have begun our new Science unit around animals and humans. This week we have looked at the key food groups and understanding what those foods give us. We had our first outdoor learning experience where we identified the flora and fauna around the school grounds and enjoyed a marshmallow around the camp fire! Before half term we created our own seasonal tarts (see photos above) and they were very tasty. Well done Year 3!

Over the next fortnight we will be...

- In English, we will be continuing our unit on 'How Maui Tamed the Sun' and creating our own versions.
- In Maths, we will continue to focus on Money and move onto our new topic of Time.
- In Wider Curriculum, we will be looking at animal and human skeletons, and muscles.
- PE units on Athletics and Tennis.
- In RE, we will be continuing looking at Cornish Festivals.
