

Year 3 News

3rd July 2026

What we've been learning recently

English – This week in English we been using our new schemes of work around 'Wonka's Chocolate Factory'. This text has a focus on setting description where we will be looking at cohesion across paragraphs, how to use the comma correctly in a list and expanded noun phrases.

Maths – In Maths, we have continued our unit on time. We have looked at telling the time using an analogue clock and a digital clock, as well as looking at am and pm. Using our knowledge of telling the time, we have been calculating start and end times. Additionally, we have learnt how many days in each month, using a song to help. Please continue to look at telling the time with your child at home; practice makes perfect!

Wider Curriculum – Last week was DT week and the children made amazing Cornish pasties with a twist! Our food fusion focus led us to creating Greek style, Indian style, Chinese and Italian style pasties. Thank you to all of the family and friends that our attended our food event last Friday. The feedback from the pasties were very positive! This week we have been looking at Antarctica in Geography and its physical features.

Over the next fortnight we will be...

- In English we will be continuing to write our own setting descriptions based around Wonka's chocolate factory.
- In Maths we will finish time and start looking at statistics.
- In Wider Curriculum we will be looking at Shackleton's journey to Antarctica.
- Den making and camp fires in outdoor learning.

Contact details of the Year 3 team
