Maths Fluency: Learning times tables is really important. After all, they're the building blocks of maths, and with their multiplications mastered, they can do anything! Therefore, each child from Year 2 - Year 6 has a log in for 'Times Tables Rock Stars' (TTRS). This is a carefully sequenced programme of daily times tables practise online which helps your child learn their tables in a fun and engaging way. Please encourage your child to log on to TTRS as often as possible. Children's use of these apps are monitored closely by teachers. Each week, one child per class is awarded the TTRS Champion.

Reading: Throughout the school, we emphasise developing a love of reading and books. From Reception to Year 6, reading should take place daily. We are happy for children to read their allocated reading book, their school library book or any other reading material. In Year 5, the children are encouraged to take greater responsibility for their own reading. Due to the varying length of books, the children will be responsible for changing their own books weekly. They will be able to change their books during morning work, guided reading sessions and at free reading times. Class teachers keep a record of book changes to support the children and give reminders if needed.

Home Learning Review

We will shortly be carrying out a whole school Home Learning Review. We will be asking for feedback from parents/carers, children and staff, as well as considering what best practice/research shows.
