## 17<sup>th</sup> October 2025

### What we've been learning recently

**English** – We are drafting and writing up our diary entry based on the children travelling through a portal to Ancient Egypt. Using their descriptive writing and variety of sentence types, we hope to share these with you soon!

**Maths** – We have begun our multiplication and division unit. The children have been grappling with finding common multiples, factors and discovering number patterns – please ask them about any cool maths patterns they have been introduced to!

**Wider Curriculum** – In PE we have been ensuring our gymnastics performances are 'aesthetically pleasing'. We have explored counter balance and counter tension, as well as union and canon when using flight as part of a routine.

### Over the next fortnight we will be...

- Moving on to classic poetry in English and exploring the work of William Blake.
- Continuing on our multiplication and division maths journey and exploring prime numbers.
- Continuing to learn our Year 5 and 6 statutory spellings in creative ways! (See pictures)
- Getting stuck into geography and grid references.

### Important Notices

**PE Kit** – A reminder that our PE days are on Fridays. Please ensure your child wears their full PE kit on this day.

**TTRS and Reading** – Please continue to access TTRS at home and work on your child's heatmap. Also, please encourage your child to read every evening for at least 10 minutes.

### Shining Stars

Congratulations to our Shining Stars from the last two weeks for demonstrating our school values.

**5B** – Sydney, Jowan, Dolcie, Sia

**5W** – Barney, Joseph, Arianna, Alice W
