

Year 5 News

1st May 2026

What we've been learning recently

Maths – We have started our unit on angles and shape. We have been getting to grips with using protractors and ensuring our measuring of angles is spot on!

Art – Albeit rather messy, Mod-Roc went down very well with the pupils! We combined our science unit on animals and living things to make insect sculptures out of Mod-Roc. We are half way through our creations and waiting for it all to dry, ready to paint.

English – We are nearly finished with our English unit called 'The Piano'. It is about an old man who sits at his piano, reminiscing about parts of his life including the war. The children have been writing about flashbacks, using figurative language and imagery. We look forward to sharing some of their work in the next newsletter

PE – We have started Athletics and Rounders – please reinforce that we do NOT drop the bat, and run with it!

Over the next fortnight we will be...

- Starting a new narrative in English – Podkin One Ear.
- Continuing with Shape, then Position and Direction in Maths.
- For RE, we are exploring further the Hindu religion.
- Painting our Mod-Roc sculptures.
- Science – Life cycles of insects and reptiles.

Contact details of the Year 5 team

5B – Luke O'Dwyer

Important Notices

Online Safety – Please keep checking in on your child's activity if they have a phone. More information about online safety can be found here - <https://www.internetmatters.org/>

PE Day – Tuesdays

TTRS and Reading – Please continue to access TTRS at home and work on your child's heatmap. Also, please encourage your child to read every evening for at least 10 minutes.

Shining Stars

Congratulations to our Shining Stars for this week for demonstrating our school values.

5B – Jowan, Grayson, Edrick, Jax

5W – Hannah, Arianna, Barney, Ellis
