Reception News
6th November 2026

What we've been learning recently

English – The children are making such good progress with their Phonics and have come back from half term ready to learn! This half term, we will continue to embed the Level 2 sounds, with a heavy focus on formation, hearing and recording the initial sound in words and writing CVC words.

Maths – In Maths, the children have been exploring the composition of 1, 2 and 3. This has included looking at different ways of making the numbers by adding two numbers together, as well as using subitising skills to further knowledge.

Wider Curriculum – This week, we have been celebrating Diwali and Guy Fawkes. The children designed and made their own diva lamps using different collaging materials. They have also been creating their own fireworks pictures and Rangoli patterns. What a busy week!

Over the next fortnight we will be…

- Our story will be 'The Gruffalo'.
- We will be beginning to learn our Christmas songs for our sing-along.
- We will be focusing on building and writing CVC words.

Important Notices

Showbie – You will be given a letter with your child's code on to access their online learning journey. We will be posting special 'WOW' moments of your child's learning which can be shared with your child at home. Moments may include achieving next steps, celebrating perseverance and whole-class special moments.
