Year 1 News
20th November 2026

What we've been learning recently

English – Continuing our learning about the punctuation and grammar we use in our sentences. The children have been reading various sentences, identifying verb, subject and adding capital letters and full stops. These are skills which they will be applying in our future writing units. We have also been reading and discussing various stories in class.

Maths – We are learning all about subtraction and have been using the crossing out method to find the remaining number. We have been recording number sentences in our books and using our knowledge of number bonds to help work out the answers to different sums.

Wider Curriculum – We had a fantastic trip to the Museum and Library and spent the morning exploring artefacts, studying photographs and learning about Wadebridge past as well as playing with Lego, making bookmarks and going on a hunt for bears around the Library. In Science, we explored the differences between seasons, thinking about what different clothes we might wear or different activities we might do depending on the season.

Over the next fortnight we will be…

- In English, we will be reading Traction Man and using our skills to write a non-chronological report about Toy Man.
- In Maths, we will be learning about shapes, including a shape hunt and making shape pictures.
- In DT, we will be exploring sliders and making our own.
- In Music, we will be continuing to learn our nativity songs.

Contact details of the Year 1 team

Important Notices

Library days – We use the school library each Monday so please encourage your child to bring in their library book each week so they can change it for a new one.

Junk modelling – We would be grateful of any cardboard or plastic items for a junk modelling area we are planning to set up – please send them into school with your child.

Shining Stars

Congratulations to our Shining Stars from the last two weeks for demonstrating our school values.

1B – Oscar, Marley, Lotte and Kendall

1W – Seb, Ted G, Athena and Kacey
