Year 2 News
6th November 2026

What we've been learning recently

English – Before half term, we finished writing our non-chronological reports about minibeasts. We published our work onto some fancy mini beast paper. We have now started our new learning journey of a recount. We have been revisiting learning about subjects and verbs and punctuating single clauses.

Maths – We have been reciting our times tables (2, 5, 10s) during Friday's *merry go round* and testing each other with x-table flash cards. We have also been adding three 1 digit numbers e.g. 6+7+3 knowing 7+3=10, so 10+6 = 16. We have also been adding by making 10, e.g. 15+7= 15+5=20 so 20+2=22

Wider Curriculum – In Art, we have been inspired by Picasso to create some self portraits. We learnt he often painted side profiles and a turned head so you could just see the eyes. We used mirrors to sketch our faces from two different angles to create some very strange but funny self portraits!

Over the next fortnight we will be…

- Beginning to learn songs for the nativity.
- Learning about lifecycles in Science.
- Starting gymnastics in PE.
- Developing fluency in our Rhino Reader time.

Important Notices

PE Kit – A reminder that our PE day is a Thursday. Please ensure your child wears their full PE kit on these days.

Mini books – Mini books linked to you child's phonics group will be sent home on a Friday to be shared at home. Please return them the following Wednesday ready to be changed again on the Friday.
