

Year 3 News

18th September 2026

What we've been learning recently

English – We have started our new English topic named 'The Place Value of Punctuation and Grammar'. Within this we have recapped and explored both nouns and verbs. This foundational knowledge will help with future learning in Year 3.

Maths – We have begun our topic on Place Value and we started the learning using food to show our understanding of hundreds, tens and ones. In addition to this, we have used counters, part whole models and the place value grid to show number representation.

Wider Curriculum – In Science, we have been looking at the 5 food groups and packaging related to healthy and unhealthy choices. We have also looked at the different types of skeletons such as endoskeletons and exoskeletons as well as animals with no bones at all! We ended the week looking at the human muscles and labelling them on a willing participant!

Over the next fortnight we will be...

- In English, looking at the subject, object and different clauses.
- In Maths, we will continue to look and understand place value.
- Beginning to look in Geography at volcanoes and layers of the Earth.
- In PE, continuing our focus on gymnastics and netball.

Contact details of the Year 3 team

Important Notices

PE Kit – A reminder that our PE day is Tuesday. Please ensure your child wears their full PE kit on these days.

Meet the Teacher – It was so lovely to see so many friendly faces at our Yr 3 meet the teacher! If you were unable to attend, please see the slides emailed out.

Reading at home – As we are waiting for our Accelerated Reader books, please feel free to choose a book to read with your child at home.

Shining Stars

Congratulations to our Shining Stars from the last two weeks for settling well back to school (Week 1) and showing our 3 school rules (Week 2)

3B – Arlo E, Jimmy (Week 1); Freddie F, Evelyn (Week 2)

3W – Leah, Renee (Week 1); Joshua, Hannah (Week 2)
