Year 3 News
20th November 2026

What we've been learning recently

English – Over the past couple of weeks, we have been busy completing our letter recounts about travelling back to the Stone Age! We have used expanded noun phrases, subordinating conjunctions and adverbials to make our writing more engaging and exciting for the reader. We have also explored the features and layout of a letter before proudly publishing our finished work and placing it inside our very own envelopes!

Maths – In maths, we have been rounding off our topic on addition and subtraction. Everyone has worked incredibly hard and made fantastic progress mastering the tricky concept of exchanging. We have also explored inverse operations and put our skills to the test by solving a range of exciting word problems, using our addition and subtraction knowledge to tackle mathematical challenges!

Wider Curriculum – Over the past fortnight, the children have been absolutely captivated by our Stone Age to Iron Age topic. We have travelled back in time to explore the three periods of the Stone Age: Paleolithic, Mesolithic and Neolithic. The children have stepped into the shoes of historians, carefully investigating artefacts and using clues from the past to discover what life was like for people during the Stone Age. They have also unleashed their creativity by designing their very own Neolithic villages and Iron Age hill forts. They have truly loved becoming historians!

Over the next fortnight we will be…

- In English, starting our new narrative unit called Stone Age Girl.
- In Wider Curriculum, we will be looking at Geography and where people live.
- In maths, we will be looking at Multiplication and Division.
- In RE, continuing our work around Judaism

Important Notices

Trip to Truro Museum – This week you will have received an email explaining about our exciting trip to Truro Museum.

Colder Weather- As the weather turns colder and wetter, please ensure you child comes to school with a named coat.

Reading at home – Your child now has their reading book. This can be taken home each day and brought back into school the following day.
