

Potato Masher Easter Eggs

Instructions

1. Pour paint onto a paper plate.
2. Place the base of the potato masher on top of the paint that is on the plate.
3. Next, place the base of the potato masher onto the piece of paper to create a colourful Easter egg!

What patterns
can you spot
on your Easter
egg?

Can you make
a multicoloured
Easter egg
using the potato
masher?
