

## WPA – Reception Maths

Week 3 – Tuesday 16<sup>th</sup> June

Counting in 5s.

Warm up: Go to YouTube and search 'Counting by Fives. Listen to this song:

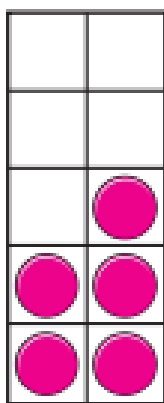

Recite counting in 5s to 25 initially with your child, and beyond if they are confident.

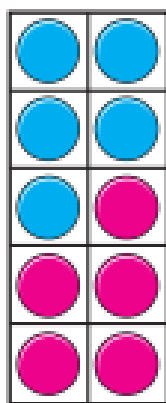

Complete the following sheet – if you cannot print, please complete off the screen on paper.

For each question, **encourage your child to count in 5s to answer the 3 questions.** Thank you.

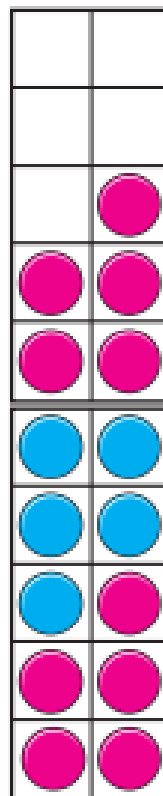

### **I** What are the numbers?

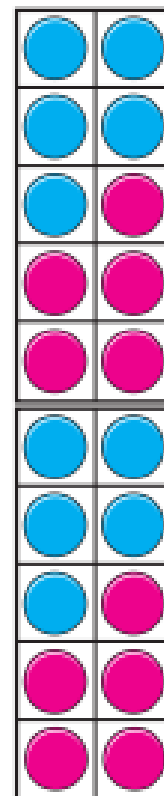

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2 How many spots are there in total?

There are  spots in total.

The following question is a Year 1 question – give it a go. ***If you need to change the number from 35 to something lower (15 or 20) that is ok.*** Help where needed. We are just exposing the children to these types of questions. If they do not quite get it, **that is ok!**

3 Colour 35 petals.
